“Planning Your Future”

You are invited to A Morning of Information!

“For everything there is a season, and a time for every matter under heaven: a time to be born, and a time to die; a time to plant, and a time to pluck up what is planted; a time to kill, and a time to heal; a time to break down, and a time to build up. . .”

and now is the time to start planning for your future!

The Bereavement Ministry is offering a parish workshop that will bring together several professionals on topics like probate, financial planning, residential care for developmental or traumatic brain injuries, mental health and dementia issues. We don't know what the future holds for us. This workshop is designed for all adults and covers important issues in an informal way. You will have a chance to get your questions answered by these professionals and your loved ones will appreciate your thoughtfulness.

You will also enjoy a light breakfast. (Good-will offering suggested.)

To reserve your place at this “not to be missed” essential opportunity, contact Dr. Roberta Flynn at drflynn@hotmail.com or (619) 980-9244.
