"Big 250" Drawing

...a benefit for Mission San Diego de Alcala restoration and preservation

How Does It Work?

- 250 tickets sold at $50 each...pick your lucky number! Buy more than one!! Get a syndicate together and split winnings!
- During *Taste of the Mission* - the evening of September 13th - ten numbers will be drawn...one of the ten will win the $5,000!!
- Near the end of the evening, the ten finalists will be called up -- and a draw-down will occur.
- At any point during the draw-down **IF** all of the finalists are present, they can agree to split the winnings.
- As each number is called, the finalist receives a prize and is eliminated from grand prize contention.
- The last number remaining is the Grand Prize winner!
