

How will you draw closer to Christ, this Lent? Discover His Presence in *The Sacraments*!

Join your Mission family virtually for this 6-week series by Bishop Robert E. Barron

“Glimmering from the lamps of countless sanctuaries throughout two millennia, God’s presence in Christ illumines our souls in unbroken light. The sacraments are the most important things in the world. What was visible in our Savior has now passed into the sacraments. The fundamental sacrament is the Church itself. The seven sacraments are now the means by which the Church expresses it’s life.” Bishop Robert E. Barron

Through these dynamic presentations, Bishop Robert Barron will expand your knowledge and appreciation of the Seven Sacraments of the Church, while building community in small group discussions.
